Kia ora whanau

Well it's been an exciting week, especially for our Kapa Haka roopu, who made us super proud on Tuesday, performing at Te Tai Tokerau Festival/Tōkihi ki Tua 2021. A lot of hard work, blood, sweat and tears went into their performance. A massive shout out to Whaea Nikita and Whaea Stacie for organising/mentoring/tutoring the group, Bobbie Kahle for stepping in as a guitarist, and Manaakitia Hemara (Kaitiaki Wahine) and Ciano Rudolph (Kaitiaki Tane). Commitment was our school value this week and every single one of our students who stepped on that stage showed strong commitment to the group. Well done!

Our Health programmes for the term have started. The Years 7 and 8 students have a 6 week programme around dental care and hygiene with Helen Foley. The Years 9 and 10 students have started a 10 week sexual health education programme facilitated by Chloe Baker-Wyeth and Sebastian Kalkoff from Ngati Hine Health. The Years 11 to 13 will have a similar programme next term. If you would like further information around either of these programmes, please contact Leanne Donaldson, Director of Well-being (ld@whc.school.nz).

Don't forget our Teacher Only Day next week - Thursday 20 May. This is another Ministry set day for secondary schools to look into the new NCEA changes.

We say goodbye to Subway lunches next Wednesday. This term they introduced wraps and cookies. We have been incredibly fortunate to be one of a few schools around the country to be offered this, while we organise our own school lunch programme. A very big thank you to Subway and the MOE for feeding our students. Our school made lunches will start next Friday. A notice will go home next week with more details around what will be offered. Please note this is not a canteen, this is free lunch provided for all students.

Have a great weekend!
