

TE KARERE O TE KURA TUARUA O WHANGAROA

14 AUGUST, 2020 4157 State Highway 10, KAEO PO BOX 126, KAEO PH: 09 4050199 EMAIL: office@whc.school.nz

STAY INFORMED: ANY NEW UPDATES RELATING TO COVID-19 ALERTS WILL BE PUT UP ON ALL OUR MEDIA. ALL CONTACT DETAILS ON THE BACK PAGE.

Kia ora whanau,

One of the core programmes we incorporate at school is our Positive Behaviour for Learning (PB4L) programme. PB4L helps schools develop a social culture that supports learning and positive behaviour.

Recently the SET coordinator made a visit to our school and interviewed students and staff around our behaviour processes. We were delighted to receive a 94% rating and we are very proud of the work that has been done. Whilst there is always plenty of room for improvement, this means our students know our values, understand positive behaviours to use and can use and communicate these effectively.

All of this mahi has been led by Ms Davidson, our Director of Student Engagement, who was singled out by the SET coordinator. *"You have made PB4L part of everyday life for the students and staff at Whangaroa College which is a tremendous achievement. Congratulations on a wonderful positive result and keep up the good work!"*

For more information on the PB4L programme please visit <https://pb4l.tki.org.nz/>.

Enjoy your weekend.

*Director of Operations
Ms Amanda Ferris*

Y.E.S Young Enterprise Scheme

The Northland Regional Trade Fair is on tomorrow at the

Old Packhouse Markets

in Kerikeri.

8am - 1:30pm

Why not go along and support our students participating in this event.

MID-SEMESTER BREAK

Whangaroa College will be closed on

Monday 31st August

for our Mid-Semester break.

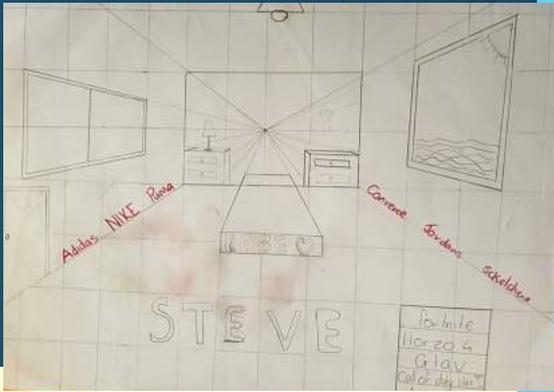

Buses will run as per normal for surrounding schools.

JUNIOR DESIGN & VISUAL Communication

YEAR 7

The Year 7 students were introduced to the Elements of Design as part of the Junior Rotation classes. Lessons in 2D/3D drawing, colour rendering, one and two point perspective, as well as fashion drawing and interior design are keeping students busy. There are some really talented young designers in this group. Many students are developing confidence in their work and experimenting between the different areas.

We are very fortunate to receive Food for Kids from Kids Can Charitable Trust. The Food for Kids programme has given us every day items such as; Easiyo yoghurt, spreads, baked beans, supergrain museli bars, fruit pots, and scroggin. These have been available during Breakfast Club and break-times.

More recently we have received hot meals. When the canteen is closed, our students have been enjoying a hot cooked lunch prepared by Anna Davis, our Teacher Aide, and some student helpers.

The hot food on offer includes dishes such as Butter Chicken, Beef Stew, Vegetable Soup, and Chicken Stroganoff. There is also rice and students can make their own toast.

We are very grateful for the KidsCan deliveries. A special thank you to Anna who organises and oversees the cooking. We appreciate your time and doing everything with a smile,

FOOD Glorious FOOD

- Charlee Tauteka** Self directed and on task with her Mathematics mahi.
- Faith Lawrence** Returning uniform when she has borrowed it overnight.
- Honey Smith** Utilising class time effectively to develop her theme in Senior Design.
- Irihipeti Pawa** Putting in the effort to complete tasks and catch up on work.

REMINDERS

19 WEEKS UNTIL CHRISTMAS

QRC INFORMATION DAY

Monday 7th September 2020

At: Kaeo Rugby Club - 40 Whangaroa Road, Kaeo 0478

Time Slots available: 10am or 2pm

We have a presentation that is Interactive, Engaging and Thought Provoking and only runs for 45 to 60 minutes.

We would love you, any students, whanau, friends and or colleagues to join us.

Please RSVP via reply email, names, time and any dietary requirements.

Refreshments will be available.

Health Wellbeing

The winter weather is seeing a few students coming to school with coughs and colds. It is essential that any students who have flu like symptoms, stay home and or seek medical advice.

Head lice is another recurring issue for schools. Our school can provide support for any students who are experiencing this problem. Ms Donaldson will be able to contact the Public Health nurse to obtain resources for students.
